Good neighbors, great vehicles

SPECIAL MEMBER DISCOUNT OFFER!

We are pleased to announce that we have been selected by Pathway Credit Union as your approved pre-owned auto dealer! This allows us to offer you our high-rated service, sales AND a special PCU discount from Hometown Auto.

We hope that the next time you are needing a pre-owned vehicle, you will come to us first and get the special treatment only PCU members receive. As your preferred PCU dealer, we are proud to offer you a special discount of **\$300 off** your vehicle purchase. Here's how this works—make your best deal with your Hometown Auto sales associate and then present this letter or your PCU member proof and you will get an additional \$300 off your price. It's that simple. No gimmicks, no tricks. And, as always there are never any doc fees or special charges added on at Hometown Auto. Just the vehicle price, tax, tag and title.

And, as always you will be met with our Hometown Auto excellent customer service. We are not your typical used car dealer. We take pride in our great reputation of integrity, honesty and fairness. Check out our google reviews to see for yourself.

Sincerely,

Brian Webb
